Welcome to Lanzerac Works

Located in the heart of Midrand, just minutes from Waterfall City, Lanzerac Works offers a mix of bright, modern, office and light-industrial spaces. All spaces have the benefit of large driveways, ample parking and outdoor garden areas.

This park's location is ideal with nearby transport links, highways and the Gautrain station within walking distance. Lanzerac Works offers well-built industrial units in various sizes, to suit your needs. There are dual entrances in the front of each unit - one to access the office component, and the other entrance is a roller shutter that gives access to the warehouse. The units are perfectly suited to mini distribution centres, wholesale outlets, tradespeople, and SMEs. Lanzerac Works' state-of-the-art business hub welcomes you with a friendly staffed reception, comfortable hot-desk seating, meeting rooms, Zoom rooms and barista-style coffee shops. The park's list of extraordinary facilities also includes CCTV monitoring, 24-hour access and security.

About the Area

Situated between the cities of Johannesburg and Pretoria, Midrand has good access to highways. As a result it has seen much growth in recent years.

Numerous businesses have relocated to Midrand due to its proximity to residential areas, the Mall of Africa, office blocks, Grand Central Airport - Midrand's own airport - and its position at the centre of Gauteng Province. Midrand also provides a vital link between Johannesburg and Pretoria.
