A Hub for Diverse Businesses

For nearly thirty years the Sandton Works site, located in the heart of the country's prime commercial node, has been a home where businesses can flourish. This site has been transformed and now offers a range of diverse spaces for growing companies.

Situated on busy Marlboro Drive, Sandton Works is a hub for a diverse business community. This park offers a range of industrial, warehouse, storage, logistics and light manufacturing spaces. Sandton Works is a comfortable and safe environment for logistics and distribution into the greater Gauteng area. Ideally located in close highway proximity to the M1, N3, N1 and Sandton City, this park has excellent exposure to passing traffic and to the busy streets of Eastgate. Each unit has high roofs, roller shutter access, an office component with a separate entrance, one secure access point, ample parking and loading zones.

About the Area

Situated off Marlboro Road - the main road which connects the N3, N12, M1 and N1 - makes this a bustling hub for businesses in the heart of Sandton. The park offers easy access to the main industrial and commercial parts of the city as well as to the Marlboro Gautrain station - which runs through nearby Linbro Park. Other areas in close proximity to Sandton Works include Parkmore, Kramerville, Kew, Sandown, Wynberg, Longmeadow, Marlboro North and South, Founders Hill, Modderfontein and Greenstone.
